Great News! We are going into 2021 with a great selection of new and used motorhomes in stock. We have worked very closely with all of our manufacturers and managed to secure new stock arriving and have a great choice that our customers can view at our Sales location just off the A40. Please call or email us today to book an appointment. If, due to the current global pandemic, you feel a virtual tour is more suited for you please let a member of the team know and we will gladly arrange this for you. With the current Covid guidelines, we have strict procedures in place to ensure the safety of both customers and staff. We are asking all customers to follow our guidelines when entering the motorhomes. Vehicle sanitisation is being carried out across both our sites to ensure safety. Hand washing and hand sanitiser is available so please use the provisions provided.

Following the devastating storm damage we endured in February, we are continuing our journey to get back into our showroom as soon as possible. We are aiming for this to happen early in 2021 so keep an eye out for your invitation to join us! We have lots of exciting things coming up so we would like to thank our customers, staff and rebuild team for your continued support. We look forward to seeing you in the New Year!
